New Park Opens

As you all have probably noticed, the Village Green was officially opened this past May. The newest of our fine parks is a setting of multiple uses. First and foremost, it is a central gathering spot for all Village residents to honor our Nation's veterans and those whose lives were lost on September 11, 2001. It will also be a place for Village events such as concerts or simply for you to enjoy a moment of quiet

reflection.

Please stop by to enjoy this park right in the heart of our Village

A new program of free music concerts for Lake Grove residents was implemented earlier this year. In April, we began by enjoying the great

Concert Series Begins

acoustical sounds of Randy Jackson, who is also a guitar player in the Long Island band called Zebra. It was held at the Recreation Hall.

In August, Kerry Kearney and his band, voted L.I.'s best blues band, performed in our newly opened Village Green. It was held at night under the stars along with a mid summer breeze to delight everyone there.

Mayor Middleton expects to continue this series with a jazz concert and a classical performance in the near future. Residents may call 585-2000 for information.

Lake Grove Cultural Arts, Recreation and Education Society L.G. CARES

Earlier this year, Lake Grove residents
were treated to the talents of "Paddy Doyle's
Boot's", with the sounds of traditional Irish
music and folk songs enhanced by a variety of
unusual instruments and singing.

The 2nd Annual Scotch Doubles Bowling
Fundraiser was held at Country Lanes in Coram.
It proved to be very successful, thanks to the
help of our member volunteers.

The 2nd annual cooking class, instructed
by member Nancy Ko-Rand, was great. She pre-
pared a three course meal which she then invit-
ed everyone in the class to share.

For those who needed to upgrade their
boating skills, a Boat Smart class was offered.
Those completing the course were certified.

The 2nd Annual Family Picnic was held
at Olga Wilk Park in May. Music by "The Banjo
Rascals" along with games, snacks and raffles
helped to make the day so enjoyable.

Now we are working to complete our
hand constructed Dollhouse, which shall be raf-
fled off at the Harvest Festival, Saturday,
October 22. Tickets will be sold in advance, as
well as that same day. Thanks to Betty Baumach
and her expertise in guiding us with this project.

This non-profit organization depends
upon fundraising efforts and donations in order
to exist. New members are always welcome. Join
us the 2nd Wednesday every month, 7pm at
Lake Grove Recreation Hall. Call Mary for infor-
mation at 631-648-8391 or 516-852-6658.

P.S. Look for the Calendar of Events on
page 6.

INFORMATION: Marvin Weisbrod 588-4169

The Lake Grove Beautification & Historical Society had their annual plant sale at the Olga Wilk Park on Pond Path. As usual it was held the Friday before Mother's Day. Flats and hanging baskets sold rapidly. Bobbe De Santo filled planters around the Village Hall with flowering plants. Vinny & Connie La Forte, and Richard Adams worked very hard in setting up trips to Atlantic City on June 12th and the upcoming trip on October 2, 2005 to "The Tropicana". The cost is \$26 by Coach bus, which leaves the Village Parking lot at 9am. Come early and enjoy free refreshments.

We hope you enjoyed the tulips and daffodils we planted at the Village welcome signs. Look for fall mums, which will be planted soon.

We are looking for new members. We meet the last Wednesday of the month at 7pm in the Village Recreation Hall. Please join us. Call Joyce at 981-2747 for information.

Community Development - Residential Funding

The Incorporated Village of Lake Grove Community Development Program has funding available to Village residents. These funds are designed primarily for safety, energy savings and health related purposes. They are distributed to qualifying residents as an interest-free loan which is payable at the sale of the house or transfer of title. Some of the eligible projects include - house rehabilitation and elimination of physical barriers for the handicapped (ex. by the addition of ramps). Interested residents should contact Village Hall at 585-2000.

Help keep our Village safe and clean

Please help our Department of Public Works maintain our Village to the highest standards. Although it is always important to keep us informed of problem areas, it is imperative during the hurricane season. Please contact us about any of the following problems, or anything you feel that might need to be better maintained now and throughout the year.

- Storm drains blocked or clogged with debris
- Excessive sand on roads and intersections
- Possible unsafe conditions at any of our parks
- Sand or debris on sidewalks
- Low tree branches hanging over sidewalks or roads.
- Damaged or open fences around sumps
- Litter.
